ORDER GRANTING REQUEST FOR IMMEDIATE SUSPENSION

This matter is before the Professional Standards and Practices Commission (Commission) on a Notice of Charges filed by the Department of Education (Department) against Hayden R. Blaetz (Respondent).

Background

Respondent holds an Instructional I certificate in the area of Grades 4-8 (All Subjects 4-6, Mathematics 7-8). At all times relevant, Respondent was employed by the Keystone Academy Charter School as a middle school mathematics teacher. The Department initiated disciplinary proceedings against Respondent with the filing of a Notice of Charges on December 15, 2023. The Notice of Charges alleges that Respondent was criminally charged with Unlawful Contact with Minor and Corruption of Minors. Copies of the pertinent court documents are attached to the Notice of Charges. The Notice of Charges also alleges that Respondent poses a threat to the health, safety or welfare of students or other persons in a school and requests that the Commission issue an Order directing the Department to immediately suspend Respondent's certificate and employment eligibility based upon the criminal charges.

As required, the Department mailed a copy of the Notice of Charges to Respondent at his last-known address. Depositing in the post office of a properly

addressed letter with prepaid postage raises a natural presumption that the letter reached its destination by due course of mail. In re Rural Route Neighbors, 960 A.2d 856, 861 (Pa. Cmwlth. 2008). Respondent did not file an answer or request a hearing.

In accordance with section 9b(a)(1)(i) of the Educator Discipline Act (Act), if the educator fails to request a hearing within 15 days of service of the Notice of Charges, the Commission or a panel of members of the Commission must promptly convene a meeting to consider the request for immediate suspension. 24 P.S. § 2070.9b(a)(1)(i). Accordingly, the Commission considered the Department's request for immediate suspension at its regularly scheduled meeting on January 22, 2024. Respondent did not appear.

Facts

The relevant facts are not in dispute.¹ On August 30, 2023, Respondent was charged in Philadelphia County, Pennsylvania with Unlawful Contact with Minor, 18 Pa.C.S. § 6318(a)(1), and Corruption of Minors, 18 Pa.C.S. § 6301(a)(1)(ii). The criminal charges stem from allegations Respondent engaged in sexually explicit conversations with a twelve-year-old male student posing as a fifteen-year-old female student on Instagram and sent the student a picture of his penis. Following a preliminary hearing, the charges were held for court.

Discussion

Section 9b(a)(1) of the Act requires the Commission to order the immediate

1. Since Respondent did not file a responsive pleading, the only facts considered by the Commission are those alleged in the Department's Notice of Charges, which are deemed admitted and incorporated herein by reference. See 22 Pa. Code § 233.115(c)(1); 1 Pa. Code § 35.37; See also Kinniry v. Professional Standards and Practices Commission, 678 A.2d 1230 (Pa. Cmwlth. 1996).

suspension of an educator who is indicted² for a crime set forth in section 111(e)(1) through (3) of the Public School Code of 1949, if the Commission determines that the educator “poses a threat to the health, safety or welfare of students or other persons in the schools of this Commonwealth.” 24 P.S. § 2070.9b(a)(1). The purpose of the law is to protect children and others in a school from the alleged perpetrator during the pendency of the litigation so as not to allow them to be subject to the crimes involved. Petron v. Department of Education, 726 A.2d 1091, 1095 (Pa. Cmwlth. 1999). The Department bears the burden of showing both that the educator has been indicted for an enumerated crime and that the educator poses a threat of harm to the health, safety or welfare of students or other persons in the schools. As we detailed in Department of Education v. Sean D. Minnich, PSPC Docket No. DI-16-031, the determination whether the immediate suspension of an educator’s certificate and employment eligibility is warranted involves a three-step process. First, the Department can meet the first prong, *i.e.*, can show that an educator has been charged with an enumerated crime, by presenting court documents, *e.g.*, an indictment. Second, the allegations underlying the criminal charges may serve as a basis to show that an educator poses the requisite threat of harm. Finally, the educator is afforded the opportunity to present evidence as to why the charges and underlying allegations do not establish reasonable cause to believe that he or she poses a threat of harm to students or others.

Here, the Department has presented the Commission with court documents showing that Respondent has been charged in Philadelphia County, Pennsylvania with

2. The term indictment includes a bill of indictment, police criminal complaint, criminal information or other similar document.

Unlawful Contact with Minor and Corruption of Minors, which are crimes set forth in section 111(e)(1) of the Public School Code of 1949. 24 P.S. § 1-111(e)(1). Therefore, the Department has satisfied the first prong of its two-prong burden. The court records show that Respondent is accused of engaging in sexually explicit conversations with, and sending a picture of his penis to, a person he believed to be a fifteen-year-old girl. Therefore, we find that the Department has also met its burden of proving that Respondent poses a threat to the health, safety or welfare of students or other persons in the schools of this Commonwealth. Since Respondent has failed to present any evidence as to why immediate suspension is unwarranted, the Commission will direct the Department to immediately suspend Respondent's certificate and employment eligibility.

Order

AND NOW, this 2nd day of February 2024, upon consideration of the Department's Notice of Charges requesting immediate suspension and the lack of response thereto, it is hereby ORDERED:

1. The Department is directed to immediately suspend Respondent's certificate and eligibility to be employed as a charter or cyber charter school staff member or contracted educational provider staff member pursuant to 24 P.S. § 2070.9b(a)(1).
2. Respondent is not eligible to be employed in a school entity in a position requiring certification or as a charter or cyber charter school staff member or contracted educational provider staff member, or eligible for any certificate.
3. If the criminal charges are dismissed or otherwise removed, the Commission will

direct the Department to immediately lift the suspension of Respondent's certificate and employment eligibility upon receipt of the appropriate documentation. 24 P.S. § 2070.9b(a)(1)(iii).
